**ALIBI BREAKFAST AT PIMLICO RACECOURSE**

In the late 1930s on the porch of Pimlico Clubhouse, a group of trainers gathered most mornings to tout the merits of their horses or give alibis as to why their horses were not competing so well. Today's Alibi Breakfast is a successor of these original gatherings where trainers, jockeys and owners of Preakness horses give unique insight to racing fans and media about the Middle Jewel of the Triple Crown and what it takes to possibly become Thoroughbred racing's next great legend. We'll meet in the foyer at 8.15am for immediate departure and the Alibi Breakfast commences at 9.30am.

Incidentally the Black-Eyed Susan is Maryland's State Flower (it's yellow and black) and the winner of the Preakness Stakes tomorrow will return to the Parade Ring with a garland of Black-Eyed Susans around his neck. The Black-Eyed Susan race (starts at 4.50pm) After the last race is at 6.28pm we're transferred back to our lodgings near Baltimore Harbour to ready ourselves for the 2nd leg of the Triple Crown.

**SAT 17 MAY**

The middle gem in the Triple crown gives us a fabulous day's racing back at Pimlico where this time we have a full food & beverage package (with reserved seating) to watch the 149th running of the Preakness Stakes (post time is 6.48pm). Again, we'll have return transfers from the hotel to the track but with the 1st race at 10.30am and the last of the 14 races carded for 7.35pm it'll be a long day

**QUEBEC CITY THEN DEPARTING BY SHIP 11PM**

We have a cracking walking tour after breakfast where we wander the historic streets of Old Quebec and learn about the rich culture and heritage of this special city with our guide who will point out the architecture and design of the buildings we pass by. We will see the Notre-Dame de Québec Basilica-Cathedral and the city fortifications as well as exploring the Quartier Petit Champlain before taking the Funicular train to the Lower Town and enjoying the view as we travel down the steep hillside.

We'll be back at our hotel to officially check out at 12 noon but we will be leaving our luggage at reception as our transfer from the hotel to our ship isn't until 8pm – so the afternoon and early evening are free to explore until our transfer.

But back to the hotel at 8pm for our transfer to our ship Holland America has excellent ratings globally as a Cruise Line and our ship Zuiderdam comes with terrific reviews. The ship is classified as medium sized and holds 1,916 passengers and 817 crew. It has an excellent main dining room with a number of specialty restaurants as well. It has 2 pools, casino, spa, Blues club, 2 story theatre, library and piano bar.

Holland America Cruise onboard the Zuiderdam  
Departs Quebec City at 11pm and heads up the Saint Lawrence River.

**SUN 25 MAY**

**SAINT LAWRENCE RIVER (DAY OF CRUISING)**

The nearly 1,200-kilometer (750-mile) stretch of the St. Lawrence River is a lighthouse lover's paradise, with more than 40 of them lining the Québec portion alone. Centuries-old fishing villages line the mighty waterway that alternates between imposing cliffs and plateaus and broad estuaries filled with fertile islets. Today, some 200 miles of the river are called the whale route, along which some 13 resident species thrive, including blue, beluga and right whales.

**MON 26 MAY**

**GULF OF SAINT LAWRENCE (DAY OF CRUISING)**

A lighthouse on little St. Paul's Island is a stark reminder of days gone by as we sail past this infamous old shipwreck site, known as the graveyard of the gulf, on our way through the Cabot Strait and into the Gulf of St. Lawrence. So huge is the gulf that half of Canada's 10 provinces have a coastal connection to it and it is the world's largest estuary - yet a mere 19,000 years ago it was covered under a mile-thick sheet of ice.

**TUES 27 MAY**

**CHARLOTTETOWN, PRINCE EDWARD ISLAND**

Arrive 7:00 a.m. – Depart 5:00 p.m.  
Charlottetown is the capital of Canada's smallest province, Prince Edward Island, and is a most beautiful small city with its Victorian houses and historic buildings. However, It is perhaps most famous as the birthplace of Confederation as here an 1864 conference led to the creation of the Dominion of Canada.  
Prince Edward Island is linked to New Brunswick on the mainland of Canada by the remarkable 13-kilometer Confederation Bridge that soars over the Northumberland Strait.

**WED 28 MAY**

**SYDNEY, NOVA SCOTIA**

Arrive 7:00 a.m. – Departs 4:00 p.m.  
Sydney is the largest city on Cape Breton Island, which is linked by causeway to the rest of Nova Scotia. Sydney's attractions start at the harbour, where visitors can shop for locally made crafts and see the world's largest fiddle, which towers beside the port's cruise pavilion. Some of the city's historic houses and churches date back to the 1700s and 1800s and are open for tours.

**THURS 29 MAY**

**HALIFAX, NOVA SCOTIA**

Arrive 8:00 a.m. – Departs 4:00 p.m.  
Located on a rocky inlet on the Atlantic Ocean, Halifax—Nova Scotia's provincial capital—is defined by its maritime geography. It's a spirited mix of world-class history and nautical-themed museums alongside bunkers and fortresses that guarded the harbour, plus funky shops and excellent pubs serving up folk music and good beer. And probably worth a wander around the streets of Lunenburg, whose colorful Old Town is designated a UNESCO World Heritage Site.

**FRI 30 MAY**

**PORTLAND, MAINE**

Arrive 12:30 p.m. lunchtime and Depart 10:00 p.m.  
We're back in the USA in modern Portland which was first settled in 1633. Portland is a wonderful combination of restored brick buildings and warehouses of the Old Port and the fine upright houses of prosperous captains, merchants and shipbuilders which make the city's past a living part of its present. And the waterfront is a going concern, not a museum, as fishing boats chug into and out of their berths, buoys clang, harbor seals bark.

**SAT 31 MAY**

**BOSTON TO ESSEX TO NEW YORK CITY**

We arrive into the port of Boston at 7am and we'll immediately be met by coach and head straight to Essex, Connecticut where we will have a quick orientation tour of the area by coach before stopping outside the famed Griswold Inn for a few hours. You can walk through the quite beautiful town and around the river port before our included lunch at the Griswold. Then a 3pm departure for New York City where this evening will be free to explore at our leisure although we might be watching the brilliant Robert Whaley playing (more about Robert later).

## MANHATTAN

The next 2 days on tour are completely free to enable us all to tick off our very own bucket lists of New York city and surrounds. In saying that we will certainly have some non-mandatory options for everyone which will include walking down to Grand Central Terminal for a drink and lunch at its famous Oyster Bar and Restaurant.

We will also give a list of Broadway and off-Broadway shows as our departure gets closer and we'll also advise what concerts are on while we're in town.

## THURS 5 JUNE

## NEW YORK CITY TO ALBANY, UPSTATE NY

A lovely relaxing drive north towards Albany and Saratoga but we stop for lunch and a look around in the beautiful town of Hudson, renowned for being a living history of American architecture. Both the Hudson River (which is the river to the west of Manhattan and runs 500km to the north) and the town are named after the famous English explorer Henry Hudson. We will have an included group lunch at the fantastic Kitty's Market and Restaurant and savour some good old-fashioned American hospitality. We'll still get to Albany by 4pm where the rest of the day and evening are free for exploration.
